San Leandro Unified School District
Information Technology

To: Board of Education

From: Larry Simon, Chief Technology Officer

Date: March 1, 2021

Re: Defunct Student Device Resale

Background: The district's oldest Chromebooks are 2 years beyond their end of life and can no longer run our current blended learning and testing software. These devices were previously approved for Surplus by the board of Education in December 2019. IT has identified a company which will give the District up to $25 for each machine.

Staff are requesting approval to resell devices to IT-Re, Inc.

Purchase Agreement 2817

IT-RE, INC
