SAN LEANDRO UNIFIED SCHOOL DISTRICT
Maintenance Department

To: Facilities and Technology Committee
From: Maintenance Department

F&T Meeting Date: 4/28/2021

Project Description: Purchase of new vehicle for Maintenance Department (dump truck).
Bond Measure: N/A
Site location: Maintenance
Funding Source: Fund 40

Fiscal Impact: $71,971.83

Rationale: This is the third attempt to purchase a replacement dump truck due to lack of availability. FH Dailey, a local vendor located in San Leandro has a new 2019 dump truck in stock and will be available five weeks after the issuance of a purchase order. This truck is about $15,000.00 higher in price due to the fact that it is a three ton dump truck with an eleven foot dump bed and has a 6.6 cubic liter Duramax turbo diesel V-8 engine. The truck we attempted to purchase from Serramonte Ford was a one ton dump truck with a 6.2 cubic liter gasoline engine with a nine foot dump bed. The pricing is based on a FAN (City Fleet Account Number) contract used by the City of San Leandro.
