LCFF Budget Overview for Parents

The LCFF gives school districts more flexibility in deciding how to use state funds. In exchange, school districts must work with parents, educators, students, and the community to develop a Local Control and Accountability Plan (LCAP) that shows how they will use these funds to serve students.

This chart provides a quick summary of how much San Leandro Unified School District plans to spend for 2021-22. It shows how much of the total is tied to planned actions and services in the LCAP.

San Leandro Unified School District plans to spend $123,136,286 for the 2021-22 school year. Of that amount, $36,139,020 is tied to actions/services in the LCAP and $86,997,266 is not included in the LCAP. The budgeted expenditures that are not included in the LCAP will be used for the following:

Expenses such as paraprofessional salaries, special education services, maintenance and operations, utilities, insurance, school and district administration and clerical support, and the majority of teacher salaries are not included in LCAP but will be funded from the General Fund in order to ensure quality services.

Increased or Improved Services for High Needs Students in the LCAP for the 2021-22 School Year

In 2021-22, San Leandro Unified School District is projecting it will receive $14,794,391 based on the enrollment of foster youth, English learner, and low-income students. San Leandro Unified School District must describe how it intends to increase or improve services for high needs students in the LCAP. San Leandro Unified School District plans to spend $7,219,340 towards meeting this requirement, as described in the LCAP.

Through creating focused actions that are about providing high quality differentiated supports for our English learners, targeting interventions for low-income students, and tutoring and outreach services for our students who are Foster Youth, this LCAP provides increased services that are driven by our work with our ACOE differentiated assistance team to meet goals related to the CA Dashboard as well as goals from the previous LCAP that remain unmet or goals stemming from community input and analysis of student data and experience.

The following actions from Goals 1 and Goal 2 address the specific needs of English Learners to gain access to quality intervention systems. integrated core learning that fosters college and career readiness, more opportunities for English Language Development, and increased access to programs that sustain primary language. These actions services that are part of increased or improved percentage required position SLUSD to provide access to platforms that promote literacy with English Language Arts and across the content areas, support for teachers to provide language development focused lessons, and small group support that integrates ELD standards to make content more accessible through various instructional strategies. In addition, All English Learners will have daily access to Imagine Learning Language and Literacy that will provide explicit instruction in English Language Development and contextualized through multimedia examples and connected text.

Goal 1 Action 2: Project-Based Learning Support System and Training, Action 11: Professional Development on Integrated and Designated English Language Development, Action 14: English Learner Development Academy, Action 21: English Language Development in Expanded Learning Environments, Action 30 Long Term English Learner Support, and Action 33 Transition and Case Management Services for English Learners; Goal 2 Action 21 Dual Language Immersion Pathway and Spanish Biliteracy pathway cohorts, Action 23 Newcomer Support for English Language Learners, Action 24 Long Term English Learner support system. In addition, by incorporating non-LCFF state funds, ELD Para-educators provide additional language support through one-on-one sessions and small group work to supplement the services above.

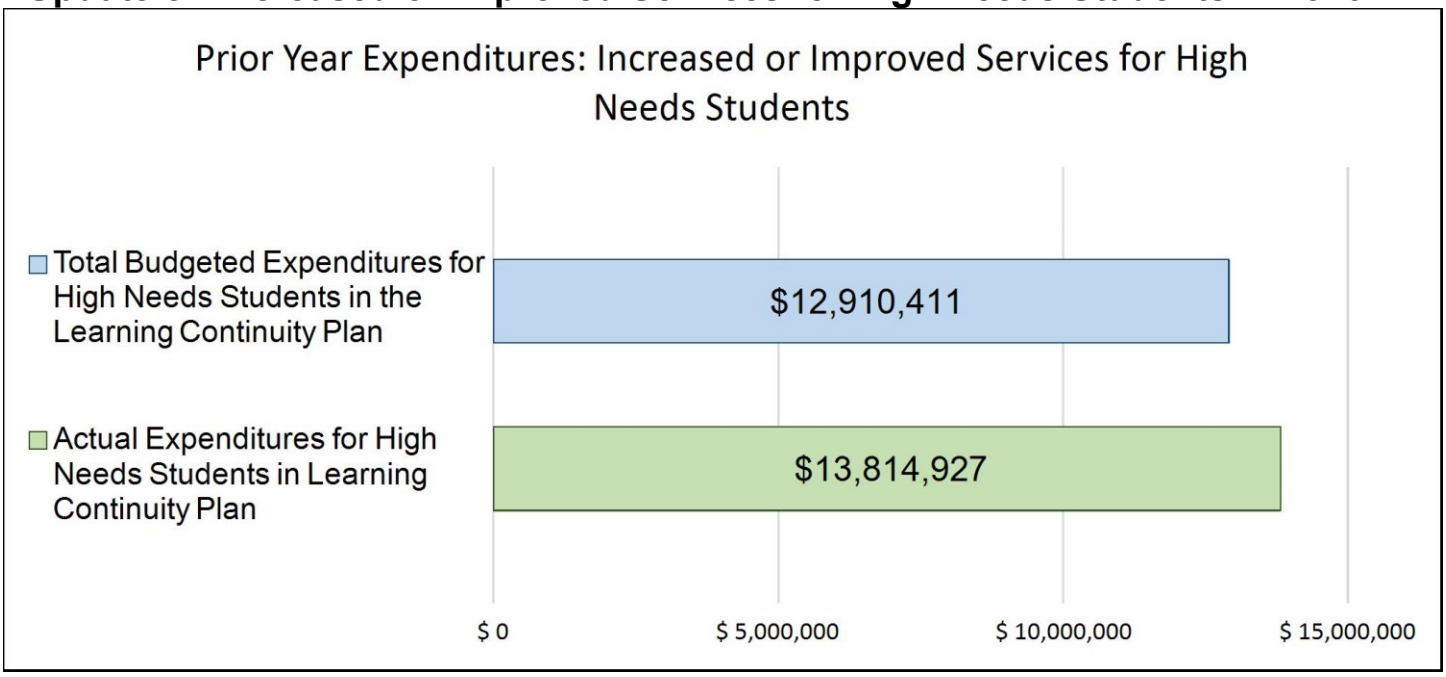

The action in Goal 1, Action 22 Tutoring Support for Foster Youth and McKinney Vento Students, provides additional tutoring opportunities to our Fosters Youth and McKinney Vento students. Considering that this group of students has high mobility, the district aims to provide additional tutoring time and one-on-one mentoring to close learning gaps caused by interruptions to their education and create a strong bond with our community and programs.

We are increasing and improving our services for all groups, English Learners, Foster Youth, and low-income students, in the following actions from Goal 1 and Goal 4 that address the needs common to our unduplicated students. In Goal 1: Action 13: Instructional Technology to support Early Literacy Intervention and English Language Development, Action 32: Retain High-Quality Secondary School Counselors, and Action 34: Building Educator Capacity to Support All Students. SLUSD will increase the professional development of all teachers in grades TK-12 to support the needs of English learners (EL), Foster Youth, low-income students, and specialized student groups to ensure best practices will be utilized. SLUSD integrates innovative strategies to provide access to standards-based lessons and activities to maintain connections with students, increase motivation, and establish responsive instructional plans for unduplicated students.

For Goal 4: Action 1: Parent Engagement, Action 2: Translation and Support Services, and Action 5:Family Resource Center, Barbara Lee Health and Wellness Center, we are taking some actions that will support English Learners, Foster Youth, low-income students, and their families. SLUSD plans to increase parent engagement by using multiple ways of communicating to parents and the community with additional translation support and tailoring services driven by the direct input of these groups. From workshops on immigration in primary languages to support our newcomer families to one on one support for enrolling in WIC and other programs, the Family Resource Center provides direct services to our unduplicated families.
