San Leandro McKinney Vento-Foster Youth

Research has proven that targeted intensive intervention greatly assists in closing the learning gap and positively impacts a student's future academic performance. In the effort to mitigate the learning loss exacerbated by the Covid-19 pandemic and the closing of schools, the students in the McKinney Vento program will receive high dose 1:1 tutoring in either Reading or Math.

SylvanSync™ School Site Individualized Program includes:

- State of-the-art assessments of cognitive and non-cognitive factors utilizing the STAR Renaissance assessment
- A personal learning plan specific to each child's needs in either reading or math.
- Digital content delivered with the intuitive iPad® that comes alive when taught by Sylvan trained and certified teachers.
- Content that adapts to a child's skill level and rapidly accelerates as the student progresses.
- Total program length for San Leandro McKinney Vento and foster youth students is to be determined
- Students can be served in grades 1 - 12
- Instruction delivered in a **1:1 ratio**
- Program will be delivered virtually and individually scheduled
- **Note: If a student fails to show - that student's allocated instruction hours will be added onto the other students in the program.**
