San Leandro Proposal 2021 2022

Instructional Plan Overview

Sylvan works with each school to determine testing and instructional calendar and facilitates all parent and student contact. Sylvan aggregates all pre and post testing results and shares these results upon conclusion of tutoring.

Sylvan Ace it! Group Program

Sylvan works with each school to determine testing and instructional calendar and facilitates all parent and student contact once school has identified and notified the students.

36 session program

- Students are placed in small, **academically homogenous** groups of **8**.
- 8 total students will be served.
- All lessons are 55 minutes in length.
- Testing using the STAR Renaissance assessment will be conducted online or virtually.
- Total program length is **36 sessions.**
- Sessions are conducted in person or online via Zoom.
- Instruction in Reading is common core aligned and delivered in a direct instruction group setting.

Cost per group: $6,624
