This letter of partnership summarizes the agreed terms between Native American Health Center (NAHC) and San Leandro Unified School District.

BACKGROUND:
NAHC seeks to address health disparities resulting from the COVID-19 pandemic by increasing the availability of COVID-19 testing to those most impacted by the pandemic.

NAHC shall provide one stationary unit that to provide testing to SLUSD students and staff.

As part of this collaboration:

NAHC will:

- Operate a four day a week stationary COVID-19 PCR testing site in the parking lot of the Barbara Lee Health Center; with a daily testing capacity of up to 500 PCR test per day.
- Provide accessibility to testing services regardless of insurance with no cost to the individual.
- Comply with Alameda County COVID-19 testing criteria, guidelines and HIPAA requirements.
- Contract with Perkin Elmer Valencia Branch for the processing of COVID-19 samples. Perkin Elmer Valencia Branch is a laboratory that is certified by Clinical Laboratory Improvement Amendments (CLIA).
- Provide a web-based portal through COLOR for consumers of the SLUSD testing site for registration and test results. Color's COVID-19 testing platform includes integrated software that will assist NAHC with test result data reporting to Alameda County Public Health Department. NAHC does not provide case investigation or contact tracing.
    - Turnaround times for test results will be given by COLOR through automated text or email within 48-72 hours directly to the consumer. Test results and time frames are dependent on the Perkin Elmer laboratory processing of samples.
- NAHC will oversee site logistics, including but not limited to: site set up, traffic cones to assist safe distancing and workflow, signage, and flow of pedestrian traffic through the testing site.
- Provide and oversee testing staff coordination and clinical services associated with testing, including: providing licensed clinician(s) and / or other appropriate healthcare workers to perform or oversee sample collection.
- Provide support staff to support licensed clinician(s) in sample collection, intake of registered patients, and assess cognitive ability of individuals to provide consent.
- Will ensure all site staff conduct themselves with a high level of professionalism and culturally respectful

behavior in all public interactions.
- Provide COVID-19 testing for persons who are one year of age and older. Those who are between the ages of 1-11 need to be accompanied by a parent or legal guardian who will provide consent for COVID-19 testing. Persons who are 12 years old and above may self-consent to COVID-19 testing.

San Leandro Unified School District will:

- Provide well-lit and safe site location including, 20x30 testing tent, safe for pedestrian access and pedestrian line.
- Provide secured storage space to safely store equipment and testing supplies within a reasonable distance from the testing site.
- Provide a SLUSD staff member who can provide access to the Barbara Lee Health Center for opening and closing the operations of the testing site.
- Responsible for daily site cleanup and garbage collection through out the service hours of the testing site.
- Provide daily access to Wi-Fi and electricity to charge electrical devices as needed.
- Provide restroom/break facilities for NAHC staff members.
- Responsible for coordinating SLUSD student access to the site to limit testing capacity to 500 per day.
- Support with community outreach and promotion of COVID-19 testing services.
- Promote referrals to NAHC for linkage to services and follow-up to individuals who need access to healthcare services.

DAYS/HOURS OF TESTING SITE:
- Monday, Tuesday, Thursday, and Friday
- Testing hours 9:00 AM – 1:00 PM and 2:00 PM - 4:30 PM with lunch time closure between 1:00 PM – 2:00 PM
