Capital Improvement Form

San Leandro Unified School District

Please use this form to submit a capital improvement project for approval from the SLUSD Governing Board. Project will first go to the Facilities and Technology Committee and then the full Governing Board.

- Person Completing Form: Gaia Pine
- Submission Date: 10/15/21
- School/Department Making Request: TLEE
- Specific Location of Proposed Capital Improvement: FTK next to the mural on the first floor hallway out to the back patio
- Estimated Budget and Source of Funding: Community fund will cover the cost of printing and buying the frame
- Timeframe for Project Completion: As soon as possible
- Describe the Proposed Project:

We would like to have an explanation of the mural that includes a dedication to Alane Paul Castro and credit to the alumna designer and the poet whose words we modified (with permission).

We plan to get the words and image professionally printed and then mount in a frame such as this one.

Plaque wording:
This mural was created with ideas and images shared by numerous community members to uplift and continue the work Alane Paul Castro passionately advocated for. Alane was an integral member of the SLUSD community as a beloved teacher, instructional coach, and interim principal.

She was an inspiration to all who she encountered. Alane particularly advocated for joyful learning experiences that promote multilingualism, artistic exploration, uplifting student voices and authentic engagement for both teachers and students. May this mural be an inspiration to continue realizing that mission!

The mural was designed and painted by Anabella McShane, an SLUSD alumna, along with SLUSD community members of all ages. The poem was adapted with permission from Yuyi Morales' book "Dreamers" and technical support was provided by muralists Joe Colmenares and Hazel Barrera.

- How Does the Project Impact Student Learning?

If those reading the words are inspired to fulfill the mission stated then they will benefit greatly! They will also learn that it is important to cite your sources and give credit where it is due.

- Please Attach a Sketch or Drawing of Proposed Improvement.
