- Natasha Weidner, Joshua Wood, Shally Tiet - Exploring New Horizons
- 5th grade classes and 8 parent chaperones
    - Wood:19
    - Weidner: 29
    - Tiet: 29
- Students will be transported to the location by private car.
- Follow all Covid protocols as set by Exploring New Horizons

Specific

- Masks must be worn at all times (indoors/outdoors) while on the field trip
- All parent/staff chaperones must submit proof that they are fully vaccinated in order to participate in the trip.
- All participants will take an Abbott Binax NOW COVID-19 Antigen Test before leaving the Roosevelt Campus on the morning of the trip and have a negative result. Participants having a positive test will be precluded from the trip.
- Students will ride in their assigned cars/groups with windows down/air circulating while traveling to and from the destination
- Although there are no longer physical distancing requirements in place, identify what actions will be taken to reasonably distance event attendees to limit large scale gatherings and the optics these types of events will present (consider staggered times for events) Students will stay in their cabin groupings throughout the trip.
- Car assignment charts as well as cabin assignment charts will be kept for the duration of the trip. These documents will be used for contact tracing purposes in the event of a positive test or a child/parent becomes symptomatic.
- A hand sanitizing station (bottle) will be required at all entry points to the event
- Attendees will be encourage to sanitize their hands often throughout the event
- A supply of masks, nitrile gloves and hand sanitizer will be made available to all special event attendees
- Garbage receptacles will be placed throughout the event to ensure proper disposal of discarded items
- Students will be required to complete their self-screening including temperature checks each day during the event
- Food and drink items will be managed by the outside organization. Hand sanitizing stations are required at all food and beverage service areas.
- The District's COVID-19 Disclaimer will be sent to all special event attendees prior to the event. The disclaimer reads as follows: **Notice to all Pigeon Point Attendees: If you**

are feeling ill in any way, have symptoms of COVID-19, or have potentially been exposed to someone with suspected or confirmed COVID-19, please do not attend this event.
