PROJECTS UPDATE

AARON KERRIGAN
BOND DIRECTOR
November 12, 2024

Project Update

SAFETY STOREFRONT
MADISON ELEMENTARY

- Improves access at school entrances, creating a secure first point of entry.
- Built with reinforced glass and durable framing to withstand high impact.
- Maximizes visibility while restricting unauthorized access.

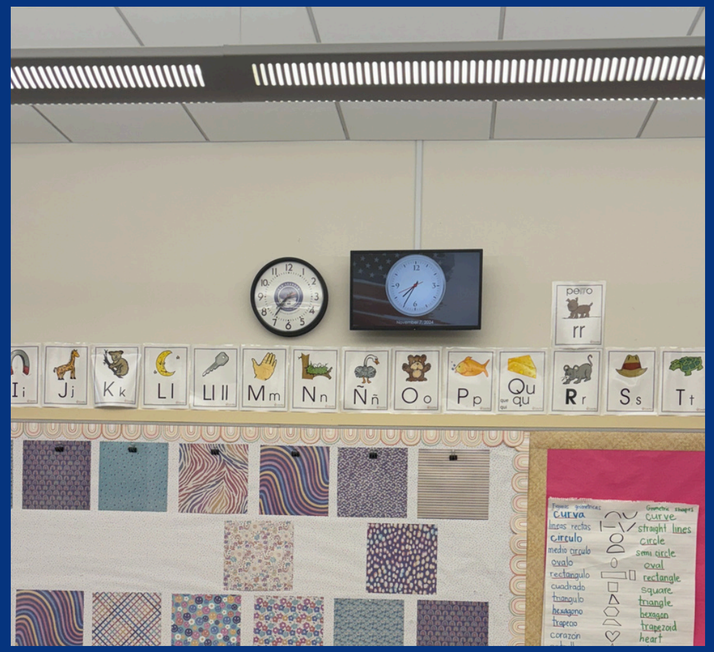

Project Update

SAFETY STOREFRONT
JOHN MUIR MIDDLE SCHOOL

- Equipped with access control systems, ensuring only authorized individuals can enter.
- Supports a secure, monitored area for visitor check-ins and ID verification.
- Acts as a visual and physical deterrent to potential intruders, promoting a safer school environment.

Project Update

AUDIO ENHANCEMENT JEFFERSON ELEMENTARY

- Enhances teacher voice projection, ensuring every student hears clearly and equally across the classroom.
- Provides a discreet alert feature, allowing teachers to quickly signal for assistance in emergencies.

Project Update

AUDIO ENHANCEMENT
JEFFERSON ELEMENTARY

- Integrates a school-wide paging and intercom system for efficient communication among administrators, teachers, and students across the school.
