INTRODUCTION

On November 6, 2018, the San Leandro voters approved Measure I – the San Leandro Unified School District Parcel Tax ("Parcel Tax") - a parcel tax for the San Leandro Unified School District ("District") that will offset severe State budget cuts with emergencey funding that cannot be diverted to the State. The voters authorized a Parcel Tax of $39 per parcel beginning fiscal year 2020-21, the tax rate shall increase annually by a cost of living adjustment.

Measure I includes an independent community oversight committee, an exemption for senior citizens, disabled persons receiving Supplemetal Security Income ("SSI") and disabled persons receiving Social Security Disability Insurance ("SSDI") and who have limited income, and a commitment that no funds will be used for administrator salaries and that all funds will stay in this community to promote student achievement.

Specifically, the Parcel Tax proceeds will support the following purposes:

- Attract and retain high quality teachers;
- Supporting core academic math, science and reading programs;
- Providing for student safety;
- Maintain and provide classroom computers and instructional technology;
- Maintain art and music programs;
- Maintain small class sizes;
- Maintain programs in career technical education for students who want to learn a skilled trade.

Pursuant to the Local Agency Parcel Tax and Bond Accountability Act (Government Code § 50075.3.), this Parcel Tax Report ("Report") summarizes the fiscal year 2019-20 special tax levies, exemptions, expenditures and other related data and information.

There are 19,733 taxable parcels in the District as of June 30, 2019. The total annual special tax to be collected within the District for fiscal year 2019-20 is $740,451. Figure 1 on the following page summarizes the current Measure I Parcel Tax levies for Fiscal Year 2019-20.

ADMINISTRATIVE REQUIREMENTS

LEVY AND COLLECTION

The Parcel Tax is collected by the Alameda County Treasurer-Tax Collector at the same time and in the same manner and is subject to the same penalties as ad valorem property taxes. Unpaid taxes bear interest at the same rate as the rate for unpaid ad valorem property taxes until paid.

The collection of the Parcel Tax shall not decrease the funds available from other sources of the District in any period from the effective date hereof.

"Parcel of taxable real property" is defined as any unit of real property in the District that receives a separate tax bill for ad valorem property taxes from the Alameda County Treasurer-Tax Collector's Office. All property which is otherwise exempt from or on which no ad valorem property taxes are levied in any year shall also be exempt from the parcel tax in such year.

Parcels owned and occupied by persons 65 years of age or older or persons receiving Social Security Disability Insurance ("SSDI") for a disability and who have limited income or Supplemental Security Income ("SSI") for a disability are exempt from the parcel tax. The Alameda County Assessor's determination of exemption or relief for any reason of any parcel from taxation, other than through the Senior Citizen Exemption, SSDI Exemption or SSI Exemption, shall be final and binding for the purposes of the parcel tax.

SENIOR CITIZEN EXEMPTION

In order to provide tax relief to senior citizens in the community, any parcel owned by a person 65 years of age or older who occupies said parcel as their primary residence shall be exempt from the parcel tax upon proper application to the District and approval. The Senior Exemption deadline for Fiscal Year 2019-20 was June 30, 2019. The senior exemption deadline for subsequent years will be June 30 prior to the applicable tax year. Senior exemption forms will be made available at the District office and the District's website or through the parcel tax administrator.

RENEWAL PROCESS

Property owners that have previously applied and qualified for the senior parcel tax exemption will not be required to resubmit their senior exemption application for future tax years provided 1) the property was exempt in the immediately previous tax years, and 2) they continue to own and occupy the property. On an annual basis, the District will verify and renew existing senior exemptions and, if necessary, confirm with the original applicant that they continue to own and occupy the property.

SOCIAL SECURITY DISABILITY INSURANCE EXEMPTION

In order to provide tax relief to persons receiving Social Security Disability Insruance for a disability and who have limited income regardless of age in the community, any parcel owned and occupied by said person shall be exempt from the parcel tax upon proper application to the District and approval. The SSDI Exemption deadline for 2019-20 was June 30, 2019. The exemption deadline for subsequent years will be June 30 prior to the applicable tax year. SSDI exemption forms will be made available at the District office and the District's website or through the parcel tax administrator.

SUPPLEMENTAL SECURITY INCOME EXEMPTION

In order to provide tax relief to persons receiving Supplemental Security Income for a disability regardless of age in the community, any parcel owned and occupied by said person shall be exempt from the parcel tax upon proper application to the District and approval. The SSI Exemption deadline for 2019-20 was June 30, 2019. The exemption deadline for subsequent years will be June 30 prior to the applicable tax year. SSI exemption forms will be made available at the District office and the District's website or through the parcel tax administrator.

CONTIGUOUS PARCELS

Multiple parcels which are contiguous, under common ownership, contain a single-family residence, and that constitute one economic unit, meaning that they have the same primary purpose as the prinicipal parcel and are not separate and distinct properties that may be independently developed or sold, shall comprise a single Parcel of Taxable Real Property for purposes of the parcel tax.

DELINQUENCIES

The District participates in the "Teeter Plan" with the County of Alameda whereby the County pays all delinquent parcel taxes to the District and in return the County institutes collection proceedings and, when collected, keeps all delinquent payments with interest and penalties. This plan allows the District to maintain reliable parcel tax revenues and reduces the cost of collection. It is not anticipated that the County will discontinue the Teeter Plan unless the level of delinquencies reach an upper threshold limit of 4% and therefore, should continue to be closely monitored.

APPROPRIATIONS LIMIT

Pursuant to Section 7902.1 of the California Government Code or any successor provision of law, the Board shall provide in each year for any increase in the District's appropriations limit as shall be necessary to ensure that parcel tax proceeds may be spent for the authorized purposes.

USE OF PARCEL TAX PROCEEDS

Pursuant to Section 50075.1 of the California Government Code, the Board has determined that the proceeds of the parcel tax shall only be applied to the following specific purposes:

- Attract and retain high quality teachers;
- Supporting core academic math, science and reading programs;
- Providing for student safety;
- Maintain and provide classroom computers and instructional technology;
- Maintain art and music programs;
- Maintain small class sizes;
- Maintain programs in career technical education for students who want to learn a skilled trade.

ANNUAL AUDIT

Upon the levy and collection of the Parcel Tax, the Board shall cause an account to be established for deposit of the proceeds. For so long as any proceeds of the San Leandro Unified School District Measure I Parcel Tax remain unexpended, the Superintendent or Chief Business Official of the District shall cause a report to be filed with the District's Board no later than December 31 of each year, stating (1) the amount of San Leandro Unified School District Measure I Parcel Tax received and expended in such year, and (2) the status of any projects or description of any programs funded from proceeds of the tax. The report may relate to the calendar year, fiscal year, or other appropriate annual period, as the Superintendent shall determine, and may be incorporated into or filed with the annual budget, audit, or other appropriate routine report to the District's Board.

INDEPENDENT COMMUNITY OVERSIGHT COMMITTEE

To insure additional accountability, an independent community oversight committee of volunteers shall be appointed by the Board to oversee all expenditures funded by the measure, and to advise the Board regarding the proper expenditure of the parcel tax proceeds.

APPEALS PROCEDURE

Taxpayers wishing to challenge the County Assessor's determination must do so under the procedures for correcting a misclassification of property pursuant to Section 4876.5 of the California Revenue and Taxation Code or other applicable procedures. Taxpayers seeking a refund of the Parcel Tax paid shall follow the procedures applicable to property tax refunds pursuant to the California Revenue and Taxation Code.

PUBLIC INFORMATION

Taxpayers and other interested persons can obtain information regarding the parcel tax, senior exemption status and other information by contacting the District's parcel tax levy administrator, SCI Consulting Group at telephone number (707) 430-4300 or (800) 273-5167. SCI Consulting Group's toll free property-owner inquiry line is also included with property tax bills.

AUDITOR FILING AND REPORTING

Parcel Tax levies for the upcoming fiscal year must be filed with the Alameda tax collector by August 10. The parcel tax levies have been submitted and confirmed for the fiscal year 2019-20. After submission of the Parcel Tax levies, the final levies should be confirmed with the County Auditor prior to the preparation of tax bills which typically occurs in October. The Parcel Tax is collected in two equal installments on the tax bills that are due on December 10 and April 10.
